Dear Parishioners,

There is an ancient cloth—a simple linen burial shroud—that has captivated the world for centuries. It bears a faint but striking image of a man who was scourged, beaten, crowned with thorns, and crucified.

This image, inexplicably embedded into the fibers, has been the subject of intense scientific scrutiny and theological reflection. Many believe it to be the burial cloth of Jesus Christ, the very fabric that wrapped His body in the tomb. Others have dismissed it as a clever medieval hoax. But after decades of scientific research, one truth remains: no one can fully explain how the image was formed.

The Shroud of Turin is the most studied artifact in human history. Despite its centuries-old existence, modern technology continues to uncover astonishing details hidden within its fibers—details that perfectly align with the Gospel accounts of Jesus' Passion. The wounds on the image correspond exactly with those suffered by Christ: the scourging, the crown of thorns, the pierced hands and feet, and the deep wound in His side. Even more intriguing, traces of pollen found on the Shroud match flowers that bloom in Jerusalem during Passover, and the limestone dust embedded in the cloth is identical to the rock found in ancient Jewish tombs.

Is this truly the burial cloth of Christ? If not, how was such an image created centuries before photography, in a way no artist has been able to replicate? Could this be God's way of leaving us a visual testimony of His Son's sacrifice?

On Monday, March 10, at 6:00 PM at St. Aloysius School Gym, we have the incredible opportunity to learn more about the Shroud from renowned speaker Tony Cherniawski. His presentation, "Who Do You Say I Am?", will guide us through the latest scientific discoveries, the history of the Shroud, and its connection to the Passion of Christ. A life-size display of the Shroud will also be available for viewing.

I encourage you to join us for this fascinating and faith-deepening event. Whether you come with skepticism or belief, you will leave with a renewed sense of awe at the mysteries that point us to Christ.

God bless, Fr. Miguel

MASS INTENTIONS

2025-2026 At St. Als

Plan ahead and remember your loved ones in prayer by requesting a Mass intention at St. Aloysius for 2025-2026.

The Catechism of the Catholic Church highlights the profound significance of requesting Masses. It emphasizes that the Eucharist is the "source and summit of the Christian life" (CCC 1324), making the Mass the most powerful prayer offered to God. When a Mass is offered for a specific intention, whether for the living or the deceased, it applies the infinite merits of Christ's sacrifice to that particular intention. The Church teaches that this act of intercession, through the priest who acts *in persona Christi*, is a unique and efficacious way to implore God's grace and mercy.

To request a Mass intention, please contact the Parish Office at 608 643 2449 or visit our website at <https://www.divinemeracy-parish.org/>

Don't delay, as available dates fill quickly!

All are welcome.

**SEVEN SUNDAYS IN HONOR OF ST. JOSEPH:** This Sunday, February 9th, just before Mass, we will be praying the SECOND of the Seven Sundays Devotion to St. Joseph. The Seven Sundays Devotion celebrates the seven joys and sorrows that St. Joseph shared, as Head of the Holy Family, with the Blessed Mother. With the second Sunday, we honor St. Joseph's sorrow when his foster son, Jesus, was born in the poverty of a stable and his overwhelming joy when he heard the Angels sing and saw the splendors of the night. The Seven Sundays Devotion culminates on Sunday March 16th, the Sunday before the feast of St. Joseph. We offer the Seven Sundays Devotion in thanksgiving for the unspeakable Mercy of our Divine Savior and for His faithful guidance over our Parish, our Diocese and our country. Plan to come a little early to take part in this beautiful devotion.

These last two weeks we've focused on the virtues of **FORESIGHT** and **OBEDIENCE** !

Jesus shares a parable about a builder who calculates cost before construction. In this, Jesus teaches us **foresight** and the importance of careful planning.

Moses showed his **obedience** to God when he agreed to go and free the Israelites. This was difficult and something he didn't feel equipped to do, but he did it with God's help.

Students are collecting unopened cereal boxes for this year's Do Good Wisconsin's Cereal Domino Challenge. The collection begins on **February 3rd. Please drop off your donation in the church side lobby or the school office.**

# Monday: To the Rescue Day!

First, we had Mass but instead of Father Miguel celebrating, Bishop Hying was there (and Thomas and Nate Bellinder were serving). When Bishop Hying was giving us the homily, he came down and talked to us about all the things that a Bishop wears and a bit about what a Bishop does. He finished the homily by saying how much God and Jesus love us. Later, we went into the gym to be with him. He told us more about what a Bishop does.

Then he answered some questions and we had some cinnamon rolls. He came around to talk with everyone and we all had a great time!

The volunteers train their dog for 2-4 years. Search dogs can be any breed. The breeds that visited us were a Golden Labrador, a German Shepherd, and a Bavarian Mountain Scent Hound. The dogs completed tasks like: finding a man in a Gilly suit, finding a teacher, and searching for hidden gauze. It was a blessing for them to visit our school!

Thank you to all the parents who came and made the experience so exciting!

# Thank You!

We would like to say a big thank you to the people who made this exciting week possible.

A Woot Woot Wagon roamed the halls of our school all week - bringing many surprises! Thank you to Kwik Trip Sauk City, Children's Dental of Madison, Culvers Sauk City, and a few anonymous donors. The kids enjoyed every moment of those "woot woot" visits!

Kindergartners Isabelle, Abby, and Grace enjoy their Kwik Trip donuts!

A HUGE thank you goes out to Ms. Kim, our kindergarten teacher! Her hard work and dedication made this Catholic Schools Week one to remember.

### Wednesday: Saints Everywhere!

Each year, the 3rd graders choose a Saint close to their hearts to research and present. They write a detailed description of the Saint in first person and build a costume to introduce themselves to the rest of the school. This year, the third grade class went the extra step and memorized their entire presentation!

### The Grand Finale: Rick Wilcox Magic Show!

It was a fantastic performance with many interactive tricks.

The students spent the day scratching their heads and trying to uncover each illusion!

### Thursday: Wacky World of Physics!

Our Thursdays was truly wacky with silly hair, mismatched clothes, and crazy physic experiments! We welcomed UW-Madison's Wonders of Physics Program to our school. They put on a great show - teaching us about light, sound, air pressure, and our favorite: the many uses of liquid nitrogen!

## SAVE THE DATE!
